Dear Mrs. Manley:

I'll have 300 posters made up and sent to you. It's too late to make any change in the schedule, so I guess Semler will have to do without Paige.

Personally, it doesn't seem as if Kansas City wants him steady anyway, only for certain big games, and if we could get him back into our league, even if only for one season, I think everyone would benefit. However, I think a meeting is necessary to get this thrashed out.

As to Parks, many thanks, but Bolden doesn't want him. He has two catchers now, with another one coming in June. I think the Cubans and Grays could probably use him. If you are in Phila. in the near future I'd like to see you. ~~Do~~ Can we play here Saturday and get to Norfolk for Sunday? Sincerely, Ed. Gottlieb
